Re: Docket No. DMA-1310X

Dear Mr. Gavin:

Your application for exploration aid has been reviewed by the Defense Minerals Administration and we are sorry to inform you that it must be denied.

On the basis of the material submitted with your application and the material available to the Government it is felt that the geological possibilities of the property do not warrant Government participation in further exploration at this time.

Very truly yours,

Tom Lyon

From: DMA Field Team, Region IV

Subject: DMA 1310K, Gus Gavin, Ruby Star Ferrite, Box 28, Tucson, Arizona

Herewith is transmitted Application for Aid for Exploration amounting to $10,000 to cover cost of exploration for copper-zinc on the Scorpio Armor claim of the Scorpio Well Group of claims in the Twin Buckler Mining District, Pima County, Arizona. The proposed work comprises sinking and crosscutting to delineate copper-zinc ore found at the surface.

The data presented is insufficient to determine whether the work is geologically favorable or technically feasible.

If your examination results in a favorable report all information needed for completing a contract, including Exhibits A to E, should be secured from the operator and presented with the report.
