Re: Docket Nos. DMEA-4252 and DMEA-4254
(Uranium)
Lookout, et al., claims
Mountain County, Colorado

Gentlemen:

The applications for assistance in exploring your properties, under the captioned docket numbers, have been reviewed by the Base and Miscellaneous Metals Division of the Defense Minerals Exploration Administration. They have been referred to:

Mr. W. H. Traver
Executive Officer
DMEA Field Team, Region III
224 New Customhouse Building
Denver 2, Colorado

The Regional Office will contact you in regard to your projects if additional information is required.

As it is DMEA policy to combine applications for projects on contiguous lands held by the same applicant, we are consolidating the two dockets into one, DMEA-4252 (Uranium). Please identify all future correspondence relating to these two dockets by Docket No. DMEA-4252 (Uranium) only.

Sincerely yours,

C. O. Mittendorf

Gentlemen:

The applications for assistance in exploring your properties, under the captioned docket numbers, have been reviewed by the Rare and Miscellaneous Metals Division of the Defense Minerals Exploration Administration. They have been referred to:

Mr. W. M. Traver
Executive Officer
DMEA Field Team, Region III
224 New Customhouse Building
Denver 2, Colorado

The Regional Office will contact you in regard to your projects if additional information is required.

Inasmuch as all 83 claims covered by the two subject applications are owned by your corporation and form one contiguous group, in the interest of simplicity and better over-all planning and supervision, the two applications and related programs are being combined into one.

Accordingly, we are placing the combined applications under Docket No. DMEA-4252 and cancelling Docket No. DMEA-4254.

Sincerely yours,

Administrator

Gentlemen:

The applications for assistance in exploring your properties under the captioned docket numbers have been reviewed by the Rare and Miscellaneous Metals Division of the Defense Minerals Exploration Administration. They have been referred to the Executive Officer of Region III at the following address:

Mr. W. M. Traver
Executive Officer
DMEA Field Team, Region III
224 New Customhouse Building
Denver 2, Colorado

The Regional Office will contact you in regard to your projects if additional information is required.

Inasmuch as all 83 claims covered by the two subject applications are owned by your corporation and form one contiguous group, it is suggested that, in the interest of simplicity and better overall planning and supervision, the two applications and related programs be combined into one.

If this suggestion meets with your approval, please so advise Mr. Traver and this office promptly, and we shall place the combined applications under Docket No. DMEA-4252 and cancel Docket No. DMEA-4254.

Sincerely yours,

Administrator

Dear Mr. Traver:

The subject applications are being referred to you for investigation, a field examination if warranted, and recommendations. A copy of each application was retained by your office.

Copies of memoranda, dated April 18, by N. E. Nelson, USGS, and dated April 23 and 24, 1956, by John E. Crawford, USBM, relating to the applications, are enclosed.

Please refer to the Administrator's letter of even date to the Applicant, combining these two applications. Hereafter, please process the combined applications under Docket No. DMEA-4252, and consider Docket No. DMEA-4254 cancelled.

Sincerely yours,
