Re: Docket No. DMEA-3758 (Lead-Copper)
Mineral King Mining Company
Tarbox Mine
Mineral County, Montana

Dear Mr. Buls:

This is with reference to the cited application for Government exploration assistance. On October 3, 1955, you advised the representatives of the Region I Field Team of the Defense Minerals Exploration Administration of your decision to withdraw your application for exploration assistance. Therefore, we are placing your application in our inactive files.

If you plan to submit a new application, please be assured it will be given our careful consideration.

Sincerely yours,

Frank E. Johnson

Re: Docket No. DMEA-3758 (Lead-copper)
Mineral King Mining Company
Tarbox Mine
Mineral County, Montana

Dear Mr. Selfridge:

This is in answer to your letter of September 22, 1955, regarding the status of the cited application.

Mr. and Mrs. C. F. Buls consulted with representatives of the Field Team on October 3, 1955 and Mr. Buls has decided to withdraw his application. He will submit another application covering the same group of claims but on a different section of the property.

As soon as we receive the new application we will send it in with our recommendations.

Dear Mr. Weissenborn:

Will you please advise us regarding the status of the cited application. On August 8, you wrote to the Applicant and stated that if you did not hear from him within 30 days, you would consider his application withdrawn.

In your "Monthly Progress Report - August 1955", under remarks, it is stated: "W. T. still discussing revised program".

We would appreciate receiving your comments and recommendations regarding this application at your earliest convenience.

Sincerely yours,

Dear Mr. Buls:

We have not heard from you since we sent our letter of July 12, 1955. We would be glad to discuss our suggested diamond drilling program with you any time you are in Spokane.

If you do not have funds for such work at this time, withdrawal of your application would be without prejudice and you could resubmit it later.

In the event we do not hear from you within 30 days, we will consider your application withdrawn.

Memorandum for the Files

From: J. W. Alt, Base Metals Division

Subject: Phone coversation re Mineral King Mining Company, Tarbox Mine, Mineral County, Montana, Docket No. DMEA-3758, (Lead-Copper).

On this date in a phone conversation with A. E. Weissenborn, Executive Officer, Region I, Northwest District, I asked him about the status of the cited application. He said that he had written to the Applicant for information but to date had not heard from the Company. He said he would write again requesting the information be sent within thirty (30) days. The monthly report for June stated that a report was in preparation and that a modest program would be recommended.

Re: Application for exploration assistance
(silver-lead-copper-gold)
Mineral King Mining Company
Tarbox Mine
Mineral County, Montana

Dear Mr. Selfridge:

Enclosed are 3 copies of MF-103 submitted by Charles F. Buls, Missoula, Montana, together with 3 copies of his letter of March 17, 1955. One copy of MF-103 and the single copies of two reports submitted by the applicant are being retained in this office to facilitate a field examination.

The exploration program of the applicant is somewhat unclear. A field examination will be scheduled when the area is free of snow.

It should be noted that Mr. Buls submitted an application previously (Docket No. DMEA-2109) but withdrew it in November 1952.

Very truly yours,

A. E. Weissenborn

Dear Sir.

Inclosed please find loan forms fill out would like to get a loan in units or steps, say $5000.00 to start out with, would like to run a 1000 ft. tunnel below a big lead silver, copper, gold ore body we struck with a bulldozer that averages 5% lead and 5 oz. silver a little copper and a little gold for 20 feet wide, I am sure we can ship some ore to help pay expences.

Robert E. Wallace, John W. Hosterman, Hobbs and many others were at our mine and know were it is located. It joins the Silver Mountain on the east with just the Jupiter Group the Day property in between.

Sincerely yours

/s/ Charles F. Buls

INSTRUCTIONS

1. *Name of applicant.*—(*a*) State here your full legal name, in the form in which you will wish to contract, and your mailing address: Charles F. Bulo, 1001 East Broadway, Missoula, Montana, Mineral King Mining Co. was incorporated under the laws of Montana in September 1938. C. F. Bulo Pres & Manager, C. P. Bulo Sec & Treas, Directors E. H. Murry, H. H. Harris R. S. Stewart, C. P. Bulo and C. F. Bulo.

(*b*) If other than an individual, add to your name above whether a corporation, partnership, etc., and the name of the State in which incorporated or otherwise organized. —

(*c*) If a corporation, add to above statement, titles, names and addresses of officers. —

(*d*) If a partnership, add to the above statement the names and addresses of all partners. —

2. *General.*—Read DMEA Order 1, "Government Aid in Defense Exploration Projects," before completing this application. Submit this application and all accompanying papers in quadruplicate (four copies), with your name and address on each sheet of the application and on all accompanying papers. Where sufficient space is not provided on the form for all required information, state it on an accompanying paper, with a reference in each case to the instruction to which it refers by number. Comply with all applicable instructions; or, if not applicable, so state. File the application with Defense Minerals Exploration Administration, Department of the Interior, Washington 25, D. C., or with the nearest field executive officer thereof.

3. *Applicant's property rights.*—(*a*) State the legal description of the land upon which you wish to explore, including all land which you possess or control that may be benefited by the exploration, and excluding any land or interest in land which is not to be included in the exploration project contract by mining claim location and consolidated the Jarbo group of mining claims with the Meadow Mt. Group of mining claims into the Mineral King Mining Co.

(*b*) State any mine name by which the property is known. Jarbo, Meadow Mt & Mineral King.

(*c*) State your interest in the land, whether owner, lessee, purchaser under contract, or otherwise As a stock holder, 800,000 shares.

(*d*) If you are not the owner, submit with this application a copy of the lease, contract, or other document under which you control the property. —

(*e*) If you own the land, describe any liens or encumbrances on it None

(*f*) If the land consists of unpatented claims, add to the description above, the book and page numbers for each recorded location notice. by accompanying papers

4. *Physical description.*—(*a*) Describe in detail any mining or exploration operations which have been or now are being conducted upon the land, including existing mine workings and production facilities. State your interest, if any, in such operations. Also describe accessibility of mine workings for examination purposes. by accompanying papers,

(*b*) State past and current production, and ore reserves, if any, giving quantities and grades. None

(*c*) Describe the geologic features of the property, including mineralization, type of deposit (vein, bedded, etc.), and your reasons for wishing to explore. Illustrate with maps or sketches. Send with your application (but not necessarily as a part of it) any geologic or engineering report, assay maps, or other technologic information you may have, indicating on each whether you require its return to you. by accompanying papers,

(*d*) State the facts with respect to the accessibility of the project: Access roads, distances to shipping, supply and residence points. 3 miles to Saltese, fair road to highway 10 & N. P. Railroad

(*e*) State the availability of manpower, materials, supplies, equipment, water, and power.

16—66551-1

Plenty of Manpower, materials & supplies.

5. *The exploration project.*—(*a*) State the mineral or minerals for which you wish to explore Silver, Lead copper & gold

(*b*) Describe fully the proposed work, including a map or sketch of the property showing a plan (and cross sections if needed) of any present mine workings, and the location of the proposed exploration work as related to such features as contacts, veins, ore-bearing beds, etc. by accompanying papers.

(*c*) The work will start within 90 days and be completed within 6 months from the date of an exploration project contract.

(*d*) State the operating experience and background of the applicant with relation to the ability to carry out such exploration project, and also that of the person or persons who will supervise the operations. Over 50 years in Mining

6. *Estimate of costs.*—Furnish a detailed estimate of the costs of the proposed work (you will have to use a separate sheet), under the following headings. Add the totals under all headings to give the estimated total cost of the project: by seperate sheet

(*a*) *Independent contracts.*—(Note.—If the applicant does not intend to let any of the work to contractors, write "none" after this item. To the extent that the work is to be contracted, do not repeat the cost of the contract-work in subsequent items.) State the cost of any proposed independent contracts for the performance of all or any part of the work, expressed in terms of units of work (such as per foot of drilling, per foot of drifting, per hour of bulldozer operations, per cubic yard of material moved, etc.). by seperate sheet

(*b*) *Labor, supervision, consultants.*—Include an itemized schedule of numbers, classes and rates of wages, salaries or fees for necessary labor, supervision and engineering and geological consultants. Standard rates of Coeur D'Lene's

(*c*) *Operating materials and supplies.*—Furnish an itemized list, including items of equipment costing less than $50 each, and power, water and fuel. shovels picks, hammers, wrenches, light etc.

(*d*) *Operating equipment.*—Furnish an itemized list of any operating equipment to be rented, purchased, or which is owned and will be furnished by the Operator, with the estimated rental, purchase price, or suggested use-allowance based on present value, as the case may be. by seperate sheet

(*e*) *Rehabilitation and repairs.*—Furnish a detailed list showing the cost of any necessary initial rehabilitation or repairs of existing buildings, installations, fixtures, and movable operating equipment, now owned by the Operator and which will be devoted to the exploration project. None

(*f*) *New buildings, improvements, installations.*—Furnish a detailed list showing the cost of any necessary buildings, fixed improvements, or installations to be purchased, installed or constructed for the benefit of the exploration project. None

(*g*) *Miscellaneous.*—Furnish a detailed list showing the cost of repairs to and maintenance of operating equipment (not including initial rehabilitation or repairs of the Operator's equipment), analytical work, accounting, workmen's compensation and employers' liability insurance, and payroll taxes. About $75.00 per month.

(*h*) *Contingencies.*—Give an estimate of any necessary allowances for contingencies not included in the costs stated above.

NOTE.—No items of general overhead, corporate management, interest, taxes (other than payroll and sales taxes), or any other indirect costs, or work performed or costs incurred before the date of the contract, should be included in the estimate of costs.

7. (*a*) Are you prepared to furnish your share of the cost of the proposed project in accordance with the regulations on Government participation (Sec. 7, DMEA No. 1)? Yes.

(*b*) How do you propose to furnish your share of the costs? By selling stock & shipping ore

[X] Money [X] Use of equipment owned by you [X] Other

Explain in detail on acompanying paper.

CERTIFICATION

The undersigned, whether as an individual, corporate officer, partner, or otherwise, both in his own behalf and acting for the applicant, certifies that the information set forth in this form and accompanying papers is correct and complete, to the best of his knowledge and belief.
