Dear Mr. Cottam:

Reference is made to your letter of December 2, 1951, and our response of December 29, 1951, with reference to additional data required by the Defense Minerals Exploration Administration to process your above-docketed application.

Inasmuch as no further communication has been received from you, we assume that you no longer desire to proceed with the application. We wish to cooperate with you in the matter of allowing ample time, but if the needed data has not been received by May 15, 1952, we will then consider the docket closed.

Sincerely yours,

Ernest Wm. Ellis, Chief

Re: Docket DMA-1803X
(Uranium)
Southwestern Utah

Dear Mr. Cottom:

Your letter of December 2, 1951, addressed to Mr. Bourret, has been referred to this office, together with your complete docket, for consideration.

We note that you require more time before remitting data to support your application for an exploration project. Accordingly, your docket will be held in abeyance until receipt of this information, which should include a complete set of detailed answers to all the questions on form MF-103.

Sincerely yours,

~~C. O. Mittendorf~~

Uranium - DMA Docket #1803X

Dear Mr. Cottam:

Your application for an exploration project DMA Docket #1803X, in the sum of $2,500 has been received by the Minor and Rare Metals Branch of the Supply Division.

We regret having to inform you that we are not at present empowered to grant general prospecting loans of the type requested by you. Should you later control ground with definite showings of uranium or other metalliferous ores listed on attached copy of form MC-5 as amended, we would be glad to consider your application for an exploration project thereon.

For your information we enclose copy of press release of May 14, 1951 together with above-mentioned form MC-5, suggesting you read them carefully.

Yours very truly,

Weston Bourret
