Re: DM&G-4671

Neither Grandview Mines nor the eight original lessees of sec. 10 are "sureties" for royalty. All merely subordinated their interests and granted the Govt. a lien thereon. As land has reverted to the State, we no longer have a lien on sec. 10.

The Operator (Geo-Resource Corp.) was the only "surety" and, if no longer existing as reported by Spokane National Mines, there is no "surety" under the contract.

Our only remaining lien pertains to sec. 15, owned by Spokane National as successor to Universal Mining Corp.
